**Sheikh Mohammad Ishak Multani**

Urdu Kitab Ek Hazar Anmol Moti se  
lipyantaran kiya he.

**Aap isse "Bhasa ya Grammar" ka adab na samjhe.**

## **Bismillahirrahmanirrahim**

Apne ghar ke pure mahol ko Islami banana chahiye, warna hamari aane vali nasle isse bilkul ajnabi ho jayegi, aur uski wajah se duniya aur aakhirat ki bahut si kharabiya paida ho jayegi, apna rahen sahen, libaas, apna culture, khana pina sab shariyat aur sunnat ke mutabik hona chahiye, ghar ke istimal ka saman bhi sada aur paak saaf hona chahiye, hesiyat se jiyada kimti ka saman jo sirf dikhawe ke liye ho, uska jama karna beja fujul kharchi he aur pareshani ka sabab he, kyu ki hamesha uski hifajat ka khayal karna padta he, kabhi unme jiyadati ki lalach aur kabhi unke kharab ho jaane ka dar dil ko pareshan rakhta he, kanaat to jaruri saman me hi nasib hoti he, western culture hamare samaj ko is kadar jehrila karti he ki ham na chahte huve bhi isme mubtala hokar apni Deeni aur Islami nishaniyo se aur Islami samaj se mehrum

hote jaa rahe he, Islami vakar aur khandani rivayat aur sharafat ke aadaab ko baki rakhna chahiye, warna duniya me bhi jillat aur rusvayi he aur aakhirat ka bhi nuksan he, agar anjam par gaur kiya jaye to ye baat akal khud maan legi. (Irshadate Arifi)

## **Jhagde Ki Nahusat**

Ilam me jhagda karna iman ke noor ko khatam kar deta he, kisi ne puchha ki agar kisi ko sunnat ke khilaf kaam karte huve dekhe to kya kare? Farmaya narmi se samjah de aur jhagda na kare. (Irshadate Muftie Aajam)
